

WORKSHOPS COMING IN MARCH 2012

Using the Figure to Tell a Story with Sam Hodges

In this one-day workshop you will create a figurative sculpture layered with symbolic forms and images as a means to tell your own personal narrative. Sam will also share her underglaze, glaze and firing techniques.

1-day workshop March 10th

Workshop fee \$75.00

Double-Walled Vessels with Tom Kerrigan

Join Tom Kerrigan to learn to create sculptural vessel forms using his unusual "pinch" method. There will also be extensive exploration into surface treatments. Tom will give numerous demonstrations including his approaches to double-wall constructions and building forms upside-down.

2-day workshop March 17th & 18th

Workshop fee \$135

Lidded Vessels with Sarah Brodie

In this 1-day workshop you will learn how to build exquisite lidded vessels and baskets with beautifully textured surface. Sarah will also instruct on her glazing and firing methods.

1-day workshop March 31

Workshop fee \$75.00

All workshops are "hands-on" and all skill levels are welcome.

Enrollment is limited to 10 participants ensuring everyone an informal and intimate interaction with the instructor and their fellow participants
